WHEN TO INTRODUCE ME

- Their board is asking about AI and there is no policy
- Staff are already using AI tools and nobody has set any rules
- They want to use AI but do not know where to start
- They have an AI project underway that needs someone to run it

HOW I HELP

- **Fractional AI Leader:** steady senior guidance on AI strategy and governance
- **AI Project Manager:** keeping AI projects on scope, on schedule and on track
- **AI Trainer:** practical training so staff and volunteers use AI well

BACKGROUND

Engagements ranging from vendor selection and AMS feature implementation to AI governance policy development, project planning, and staff AI training.

WHO TO INTRODUCE ME TO

An executive director, CEO or board chair at a nonprofit association.
An introduction is all I need.
